

BRENT ODENWALDER

For WEBER COUNTY REPUBLICAN PARTY

VICE CHAIR

I am a lifelong resident of Weber County. I'm an Aircraft Avionics Program Manager. I have served as a Leg Chair, Weber County Young Republicans Chair, Precinct Chair, County & State Delegate, State Central Committee and on the Weber County Bylaws Committee.

Core Principles: I am a lifelong Republican, committed to the US Constitution and the Republican Party Platforms with a proven record, not just lip service.

- a. **Self-Reliance and Taxation:** "A government which is big enough to provide everything we want is big enough to take everything we have." The trend toward government providing more and more is directly eroding our freedom and increasing taxes to unreasonable levels.
 1. I submitted a resolution opposing the property tax. That resolution was unanimously approved by our county party Executive Committee. I spoke against the tax increase at the Commission hearing.
 2. I STRONGLY opposed the following recent Taxes/Bonds in Weber County 1. The Library Bond 2. The UTA Transportation Tax 3. The 21% increase to your property taxes (Nov 2016). Your tax dollars can & must be better managed.
- b. **Freedom and regulation:** The job of our elected servants is to protect our God given rights, not manage our lives.

PROTECT OUR CAUCUS/CONVENTION VETTING SYSTEM: I led the fight to protect our caucus convention system. I served on the Weber County bylaws committee which was successful in making our delegate convention vetting system relevant again.

ACCOUNTABILITY: I believe that one of the best things our elected party officials can do is to hold elected officials accountable to our core principles and platforms.

I commit to you that my actions as County Vice Chair will be consistent with these principles. Call me if you have any questions (801) 907-5821
